For Your Business

BROWN AND HURLEY PacLease
Truck and Trailer Rental and Leasing

PacLease Full Service Contract Maintenance provides fixed monthly maintenance costs with all servicing, repairs and labour included. We've made it easier to budget and help to protect your business from unexpected repair expenses.

Maintenance is handled by authorised Kenworth and DAF technicians at Brown and Hurley full service workshops in 18 locations in Northern NSW and QLD. Emergency repairs are backed Australia wide by partnership agreements with a qualified service network.

The program is tailored to your fleet and includes:

- preventative maintenance
- repairs*
- full compliance tracking to keep vehicles operating efficiently.

We understand that your business is unique and may need a tailored solution to provide a suitable level of cover.

Talk to your PacLease salesperson today to design your own maintenance agreement.

*Any misuse of the vehicle would not be covered.
