BROWN AND HURLEY
The BIG TRUCK People

Transform Your Fleet with

OKUSLIDE TIPPER LINERS

UPGRADE, SAVE AND BE SAFE!

Upgrade your tipper trucks with OKUSLIDE Tipper Liners at Brown and Hurley Coffs Harbour and experience unparalleled efficiency, durability, cost savings and safety!

Designed for the demanding needs of heavy-duty transportation, OKUSLIDE Tipper Liners are the critical solution for protecting your truck beds, optimising your operations and ensuring safety. They are also a great alternative to re-flooring a worn-out floor in a tipper.

BENEFITS

- Superior sliding properties
- Provides safer unloading
- Minimises risk of rollover
- Ultra-long life
- Non-stick surface
- Improves productivity
- Easy installation: Most installs can be completed in 1 day, reducing downtime.

Contact Jason Cooper on 0427 404 120 for more information or to organise installation.
