

Ford Pre-Paid Service Plan

An easy way to manage the cost of your service

A flexible and convenient way to manage your servicing costs. The pre-paid plan covers the first five general services. Brake fluid is also included at 3rd year.

If you sell your vehicle or transfer the ownership before the first five services are complete, the pre-paid plan can be transferred into the new owner's name, potentially helping to retain value in your Ford over time.

Am I eligible?

If you are a Retail or Blue Fleet customer and have purchased a Ranger, Raptor, Everest, Mustang, F-150 or Transit Custom, you may be eligible for the Ford Pre-Paid Service Plan. For full eligibility details, please visit our [Service Price Page](#).

What is included in a general service?

A general service includes comprehensive inspection inside the vehicle, under the hood, under the vehicle and outside the vehicle, as well as a range of other services listed in detail on your nameplate brochure for Pre-Paid Service Plans.

General services do not include additional items that may be required. These items will be at an additional cost when needed. Please contact your local Ford Dealer for further information or refer to the Service Portfolio in your vehicle.

Benefits of ownership

Being part of the Ford family gives you access to a range of ownership benefits, like 5 Year Unlimited Kilometre Warranty¹, and Ford National Roadside Assistance and Auto Club Lifestyle Membership, for eligible customers up to 7 years².
